

IntelliCut Series One

NC Motorised Guillotines

IntelliCut delivers quality you can trust and cutting performance you can rely on.

Our new motorised guillotines are designed to deliver fast, accurate cutting with robust build quality and great features.

Model	Mild steel capacity	Stainless steel capacity	Aluminium capacity	Cutting length (mm)	Backgauge reach (mm)	Number of strokes (p/m)	Motor power (kw)
4mm/800	4mm	2mm	5mm	800	10 - 650	47	5.5
4mm/1000	4mm	2mm	5mm	1000	10 - 650	47	5.5
4mm/1300	4mm	2mm	5mm	1300	10 - 650	47	5.5
4mm/1500	4mm	2mm	5mm	1500	10 - 650	47	5.5
4mm/1600	4mm	2mm	5mm	1600	10 - 650	47	5.5
4mm/1700	4mm	2mm	5mm	1700	10 - 650	47	5.5
4mm/1800	4mm	2mm	5mm	1800	10 - 650	47	5.5
4mm/2000	4mm	2mm	5mm	2000	10 - 650	47	5.5
4mm/2100	4mm	2mm	5mm	2100	10 - 650	47	5.5
4mm/2300	4mm	2mm	5mm	2300	10 - 650	47	5.5
4mm/2500	4mm	2mm	5mm	2500	10 - 650	47	5.5
4mm/3050	4mm	2mm	5mm	3050	10 - 650	47	7.5
4mm/3200	4mm	2mm	5mm	3200	10 - 650	47	11

- Capacity: 4mm mild steel.
- Series 1 model: Programmable Estun E21-S control with 40 programs, 25 steps per program.
- Electrics: Schneider.
- Motor: Brake motor.
- Backstops: automatic, motorised running on ball screws with 0.1mm accuracy.
- Blade gap: Manual adjustment.
- Foot pedal: Heavy duty with emergency stop.
- Material support: Side squaring arm and front supports with flip over stops and squaring discs.
- Material handling: Heavy duty front table with hold down.
- Material ejection: rear slider plates for material.
- Movement: Single and continuous stroke.
- Guarantee: 6 months parts and labour, see terms and conditions of sale.
